

STUDENT CONDUCT & SAFETY CHECKLIST – AgH-343 / BIO-221L

Student Name (print) _____ Student ID No. _____

Instructor Name _____ Lab Time _____

A. SAFETY: By my signature I verify that I understand that the materials, chemicals, & equipment I will be using in the Anatomy laboratory (AgH 343) will require that I take certain precautions in order to avoid exposure, accident, or injury. I agree to follow my instructor's requests at all times & in an effort to maintain safe laboratory practices, I will:

- cooperate with the lab instructor at all times & follow directions given in an emergency;
 - avoid contact with all chemicals/preservatives & use safety gloves as instructed;
 - place all broken glass, razor blades, & needles in the red SHARPS containers;
 - report all spills & problems to lab instructor immediately;
 - wear appropriate clothing (must cover the shoulder, mid-drift, and knees when seated);
 - wear appropriate foot wear (no sandals, clogs, backless shoes) in the laboratory;
 - not eat, drink, smoke, apply cosmetics, or chew gum in the laboratory;
 - not work alone in the laboratory without the permission of the Instructor;
 - keep work areas & lab-ware clean, & help others maintain safe laboratory practices;
 - **DO NOT** wear safety gloves outside of the anatomy laboratory;
 - Use ventilation fans as instructed;
- Are you allergic to Latex?
- Are you allergic to Formaldehyde?

B. SAFETY EQUIPMENT: By my signature I verify that I have been shown the location(s) & correct operation of each of the following items of safety equipment provided in the lab.

- | | |
|--------------------------|----------------------------|
| a. First Aid Kit _____ | d. Safety Gloves _____ |
| b. Eyewash Station _____ | e. Nearest Exit _____ |
| c. Water/Sink _____ | f. Fire Extinguisher _____ |

C. CODE OF CONDUCT: By my signature I agree to act in a respectful & professional manner with regard to the treatment of human remains (cadavers & skeletal material) in the Anatomy Laboratory. I understand that any breach of respectful conduct will lead to my immediate dismissal from the Course & the Grade of 'F' entered on my Student record. I understand that the mishandling, defacement, or removal of human remains from AgH 343 is a crime & grounds for suspension or expulsion from SDSU.

I have read & I understand the above information. I agree to adhere to all instructions provided, written & oral, by the laboratory instructor. By my signature I verify that I have received safety information for BIOL-221L (AgH 343) & know where the safety devices are and how to operate them.

Signature _____ Date _____
